MANDATORY RULES FOR PARENTS AND CHILDREN

1. All children under the age of 10 MUST be accompanied to the pool by an adult. Parents may sit on the pool deck or in the observation area and remain in view of the child at all times. Any child not accompanied by an adult will sit on the pool deck until the parent can be located.
2. All children between the ages of 11 and 13 are permitted to be in the pool area without a parent. Before the child enters the pool the parent must complete the "check in" book located near the lifeguard stand. Please be advised if there are any problems with an unaccompanied child the parent will be required to come and get them and sign them out. A child will not be released unless the parent is present.

These rules are designated for the safety of your children.
There are NO exceptions.

ATTIRE / EQUIPMENT

Children who are not potty trained must wear a swim diaper in order to enter the pool. We suggest everyone shower before entering the pool. Flotation devices and goggles are welcome at the lifeguards' discretion.

PARENT RESPONSIBILITY

Parents must check their child in with their instructor and remain in the building for the length of the entire lesson. To ensure the child's complete concentration during their lesson it is recommended that parents observe class from the observation area. Parents of children who are new to the program will be permitted on the deck until the child feels comfortable.

ATTENDANCE POLICY

If your child misses two classes in a row without notification, she/he will be dropped from the class. Please call the office for any absences.
