taekwondo Guidelines and Descriptions

NAC TaeKwonDo (TKD) is a FUN sport/art that builds self-confidence and athletic ability. TKD provides a systematic approach to achieving goals. Parents will enjoy watching their children progress through the program and seeing their child have improved self-discipline while having an outlet for their physical energy. The NAC has a world-class program run by the President of Pennsylvania TKD and is affiliated with the US Olympic Committee (School #5595). We also have more than a dozen instructors who have Black Belts of the 4th degree or higher – this is unheard of anywhere else in the USA!

RANK/ADVANCEMENT

Belt Level/Rank is earned through testing of each student's knowledge and skill and is dictated by the amount of time the student has dedicated to the program, as well as, their physical belt testing.

BELT TESTING | All Ages/Belt Levels

To achieve a higher rank belt, the student must attend the minimum number of classes, learn factual TKD material relative to their belt level and demonstrate appropriate self-defense moves and forms. Belt testing takes place four times a year. Students who cannot attend the test date have the option of a make-up test.

ALL AGES/BELT LEVELS \$55 + \$5 REG FEE
