# Swim Lesson Guidelines

## GENERAL CLASS INFORMATION

All swim lessons are 30 minutes long.

Please Note: While we will endeavour to work with all children, any child who is unwilling to enter the pool or is disruptive to the class for more than five minutes will be removed from the class. Credit will be issued ONLY for future aquatic classes.

The NAC reserved the right to cancel or change program schedules due to low enrollment.

## PARENT RESPONSIBILITY

Please take your child to the bathroom prior to their swim lesson.

Parents must check their child in with their instructor and remain in the building for the length of the entire lesson. All children under the age of 10 MUST have an adult down in the Aquatics area. To ensure the child's complete concentration during their lesson, **it is recommended that parents observe class from the observation area. Parents of children who are new to the program will be permitted on the deck until the child feels comfortable.**

## ATTIRE & EQUIPMENT

Children who are not potty trained must wear a swim diaper in order to enter the pool. We suggest everyone shower before entering the pool. Flotation devices and goggles are welcome at the instructor's discretion.

## ATTENDANCE POLICY

Please be on time for lessons. No child can be admitted to the lessons more than 10 minutes late. \*We go by the pool deck clock.

For any absences - email [privateswim@newtownathletic.com](mailto:privateswim@newtownathletic.com) before your lesson. Although we will try to accommodate aquatics make-up classes based on availability, only those with a note from a physician will be guaranteed a make-up lesson or swim school credit. **Any make-up classes must be arranged via email. Please include child's name, class level, day & time.**
